SPECIALISED ELECTRICAL
EQUIPMENT

MAXI VISION

CAMERA SYSTEMS

CAMERA SYSTEM KITS

Maintaining clear vision day or night! Look forward to a new rear vision!

The AusProTec™ Maxi Vision camera systems offer machine operators a new perspective on driving and operating their equipment. The range of single and multiple camera systems provide end users with different choices on the best camera system set up to suit their application.

The AusProTec™ Maxi Vision range of colour LCD monitor and camera options are robust in design and are ideally suited to industrial and mining applications. Heavy duty casing and mounting options are also available to suit custom applications.

Widen your view towards machine safety and productivity.

5" Camera system kits

Part No.	Description
Colour camera kits	
3648	Camera kit 5" monitor with 1 colour camera
3638	Camera kit 5" monitor with 2 colour cameras
3617	Camera kit 5" monitor with 3 colour cameras
Black & white camera kits	
3630	Camera kit 5" monitor with 1 B&W camera
3628	Camera kit 5" monitor with 2 B&W cameras
3624	Camera kit 5" monitor with 3 B&W cameras

Components differ between kits. Refer to the camera kits and components guide for full components details.

7" Camera system kits

Part No.	Description
Colour camera systems	
4218	Camera kit 7" monitor with 1 colour camera
4219	Camera kit 7" monitor with 2 colour camera
4108	Camera kit 7" monitor with 3 colour camera
8816	Camera kit 7" monitor with 4 colour camera
Black & white camera systems	
4271	Camera kit 7" monitor with 1 B&W camera
4272	Camera kit 7" monitor with 2 B&W camera
8810	Camera kit 7" monitor with 3 B&W camera
8811	Camera kit 7" monitor with 4 B&W camera

Components differ between kits. Refer to the camera kits and components guide for full components details.
